

## **E BIKE DAYS München 2021**

### **FAQ zur Verschiebung der Veranstaltung**

**Q. When will the E BIKE DAYS Munich 2021 take place?**

A. *Because of the lasting COVID19-Pandemic, the E BIKE DAYS were postponed to October 1<sup>st</sup> – October 3<sup>rd</sup> 2021*

**Q. What happens to my registration, that I have submitted to the originally date? Do I have to re-register again?**

A. *Every registration that has been submitted for the E BIKE DAYS in April 16<sup>th</sup> - 18<sup>th</sup> automatically remains its validity for the date in October. Consequently, a re-registration is not necessary.*

**Q. The new date in October isn't relevant for our brand/company or we can't make the appointment for other reasons. What solutions are offered?**

A. *Opposite to the actual cancellation deadlines and cancellation fees which are specified in the general conditions of participation, registered exhibitors have the right to withdraw from the registration, because of the postponement. For the planning security of the organizer, this special right of termination has to be done until February 26th.*

**Q. What hygiene measures and restrictions can be expected at the E BIKE DAYS in October?**

A. *Because of the very dynamic situation, the hygiene measures and restrictions in October can't be defined yet. Our homepage offers the latest COVID19-information that are constantly adapted to the situation. Decisive for the hygiene concept of the E BIKE DAYS in October are the guidelines applicable in Bavaria.*

**Q. Have the general conditions of participation of the event been changed?**

A. *The conditions of participation that have been approved at the registration and have been confirmed binding, are still valid. For all new registrations, the new prices, cancellation deadlines and compulsory costs have been changed. You can find the current version on our homepage.*

**Q. I am still skeptical about the event in October. How will exhibitors who have already registered be treated if the E BIKE DAYS in October still have to be canceled?**

A. *Like in the last year, in case of a cancellation of the E BIKE DAYS due to the pandemic, there are no costs for exhibitors. Any exhibitor fees paid will be reimbursed.*
